**Hans Pieren**  
International specialist for slope grooming & former chief of race for FIS & Europacup

### Safe around the world

There are things you unfortunately cannot control like a freak rainfall during an Alpine Skiing event, a heavy windstorm and fog during a Ski Jumping Event or simply lack of snow. All these incidents are not only uncomfortable but may cause serious financial losses which can badly affect your budget. We offer you unique insurance solutions to protect you against such inconveniences.

No matter whether you fear a postponement, abandonment or even the cancellation of an event, our insurance solution covers the needs you have. Our solution is easy to understand, includes wide coverage and appear extremely competitive premium rates.

#### ❖ Coverage

- Postponement (unavoidable deferment of the insured event(s) to another time)
- Abandonment (inability to complete the insured event(s) once commenced)
- Cancellation
- Curtailment

#### ❖ Because of

- rain
- fog
- wind
- extreme temperature changes
- flood
- fire and many more

#### ❖ Exclusive Know-how

- We are working with the leading Underwriters in the international insurance market
- A large network of international contacts is available
- Hans Pieren as former FIS chief of races helps you as independent advisor and can support your event upon request

### Grab your chance by the horns

There is only one way to protect your event against unpredictable dangers and this way leads you to us.

For more information, please contact us. We understand your needs and wishes and will advise you.
